2.5 International Moduling , according to its logistical requirements or specific instructions from the organizers of the show, reserves the right to choose the delivery day . Therefore, the desired delivery date by the customer only indicative .

2.6 In case of force majeure only * Moduling International reserves the right to provide replacement furniture ordered different hardware. The replacement equipment will be systematically delivered a higher rental value to compensate the damage suffered.

Article 3 : OBLIGATIONS OF TENANT

3.1 The tenant is responsible for the rented equipment , delivery to recovery.

Assurance that material is mandatory. Denial of insurance involves the full responsibility of the renter in case of damage or loss of equipment. Regulation confirms the tenant warranty. The warranty does not cover the risk stolen.

3.2 Delivery : no complaint about the state of rented equipment will be taken into account if it has been within 24 hours of delivery, a letter of complaint justified.

3.3 International Moduling reserves the right to recover the leased equipment at the end of the event . The tenant must take all steps in this direction , and in particular remove all objects or documents that may belong to him . International Moduling can in no way be held responsible for any loss or any damage during the return of the equipment .

3.4 The rented equipment remains the property of International Moduling . It can not be transferred , moved or seized .

3.5 In case of voluntary degradation of the material, recorded during the recovery, the customer agrees to reimburse repair Moduling International .

Article 4 : Prices

4.1 The prices are VAT for the duration of the event - 15 days maximum - for delivery to Paris and Paris region, hours and days.

4.2 International Moduling reserves the right to charge a surcharge :

- Deliveries in hours and holidays ;
- The additional deliveries to the customer's request ;
- Deliveries outside of Paris and the Paris region ;
- Special orders due to :
 - ☒ The importance of the leased equipment ;
 - ☒ The duration of the lease ;
 - ☒ The modification of standard equipment ;
 - ☒ Any other specific request ;
 - ☒ A special handling .

4.3 The price shall be that in force on the date of delivery

Article 5 : Disputes

5.1 For any dispute or litigation , the court will have jurisdiction to Meaux .

5.2 Injury Commercial , industrial or financial :

No compensation may be claimed from International Moduling for loss of use or any commercial problems , whatever the cause or origin.

Article 6 : Retention of ownership

6.1 The leased equipment is the full International Moduling property and is elusive.

* Bad weather, traffic problems , unavailability of materials or any other cause ... defined by International- Moduling as majeure
