Deliveries & Access

Delivery date:

Tuesday 1 April 2025 from 10.00am to 7.00pm

Delivery location:

VIPARIS - PORTE DE VERSAILLES

BIM World - Pavillon 5.2 & 5.3

1 place de la porte de Versailles - 75015 PARIS

Delivery Access:

Entry gate B and exit gate D. Unloading area for your equipment / parking limited to 1 hour.

Date of return of equipment:

Thursday 3 April, from 6pm to 8pm

You cannot evacuate materials before 6pm

Any material or equipment left on site will be evacuated; you will be charged for the related costs. Please inform your delivery company for the pick-up of your packages: No packages can be put in storage at VIPARIS. Each exhibitor is responsible for his own equipment during the set-up and dismantling.

Deliveries access

For memory, delivery date:
Tuesday 1 April 2025 from 10.00am to 7.00pm

The following information will have to be mentioned on each delivery:
Exhibiting company:
Booth number:
BIM WORLD 2025 - PORTE DE VERSAILLES - PAVILLON 5.2 & 5.3
Contact onsite:
Mobile phone number:

Compulsory: your deliverers must have their hatchback trucks and be equipped with trolleys or pallet truck.

Mandatory access instructions

In order to strengthen access controls on the Porte de Versailles site and to facilitate access and traffic flow in the delivery station, VIPARIS has developed an online vehicle registration system: LOGIPASS.

This applies to all requests for vehicle access during set-up, dismantling and daily deliveries. Parking on the delivery areas is limited to the strict need for delivery.

<https://logipass.viparis.com/en>

A hotline is available on +33 1 40 68 68 11 30 / infos-exposants@viparis.com to help users.

Exhibitors will have to create their own Logipass account on their first login.

Parking times in logistics areas are limited to the need for delivery.

Cars: 30mn max

Utilities: 1h max

Heavy trucks: 4h max

As safety is everyone's business, we're counting on your help to ensure that everyone can enjoy their visit in the best possible conditions.

Accommodation

Find a hotel near Paris Expo via our online platform: <https://www.bimworld-hotelbooking-raising-stones-events.com>

Your to do list

Electricity

No electricity is furnished on the booths. You have to order from the Exhibitor Service of VIPARIS **prior 28 March 2025** (above this date, 20% surcharge).

To book your electrical terminal block, order online by logging on to the [VIPARIS website](#) using your account.

You can also order your car park and internet.

Referencing your company

You have to upload your logo, your description and your field of activity in order to appear correctly on our website **before 31 January 2025**.

Log on to your [EXHIBITOR AREA](#) (see email with your access codes, click on your company name to access your area).

Booth sign

Please send us the trading name of your booth, only if different from your company name, 25 letters maximum, spaces included (logos are not accepted) to: cd@beyond-event.fr **prior 1 March 2025**.

Exhibitors' badges

You have to register your colleagues on your [EXHIBITOR PLATFORM](#) (cf email from Camille Dauzon with your login and password).

A nominative badge will be created and send by email for each of them. Only exhibiting companies will have an exhibitor badge.

Co-exhibitors

Depending on the size of your stand, you may be able to add one or more co-exhibitors.

Please send an email to cd@beyond-event.fr **before 31 January 2025**.

Providers on your booth

If you use service providers on your booth, you must complete the safety notice to download here: <https://bim-w.com/annexes> and return it to: jbaron@spsexpo.fr / +33 6 77 10 49 91 **prior 3 March 2025**.

Pre-equipped booth

For booths smaller than 36 sqm

You have a basic equipment detailed as follow:

- ⇒ Carpet – light mottled grey- reference REWIND 0952
- ⇒ Booth structure in white aluminium 2.40m height with common dividing wall in white melamine
- ⇒ 1 logo flag of 0.60m large by 0.20m height, double side printing
- ⇒ 1 spotlight track
- ⇒ Getting into order of your booth the day before the opening and daily cleaning by a cleaning agency.

4 sqm booth example in corner

Stands dimensions:
4 sqm: 2 x 2 m

9 sqm booth example in corner

9 sqm: 3 x 3 m
18 sqm: 3 x 6 m

Sling, high sign:

Any structural element mounted above 2.50 m must be submitted to the organiser for approval. Project to be sent to cd@beyond-event.fr.

For any booth structure to be removed, please inform us **before 1 March 2025** to cd@beyond-event.fr. Any request during the set-up will be invoiced.

If you wish to use your booth on a bare surface [without structures, carpet, just floor tracing], you must make a request to cd@beyond-event.fr **before 1 March 2025**, to benefit from this possibility.

MANDATORY: Order your electrical box [here](#)

Viparis - exhibitor service, contact@e-viparistore.com / +33 1 40 68 16 16

Bare booth

For all exhibitors with a bare surface, the manual with architectural rules to be given to your service providers can be downloaded here: <https://bim-w.com/annexes>

Your arrangement and decoration projects must be accepted by the organizer and his security manager. **No booth can be build-up without this agreement.**

The project will mention the outline dimensions and overall appearance (pdf or jpg) and the PV of reaction to the fire of materials used during the set-up (partition, carpet, scratched cotton, painting printed, vinyl, etc.); up to date. These documents have to be sent by email to: cd@beyond-event.fr **prior 1 March 2025.**
