Wednesday 1 April 2026 08h00 19h30

Thursday 2 April 2026 08h00 22h00

Timetable for visitors

Wednesday 1 April 2026 09h00 18h30

Thursday 2 April 2026 09h00 17h30

Dismantling

Thursday 2 April 2026 18h00 22h00

Accommodation

Find a hotel near Paris Expo via our online platform:

<https://www.bimworld-hotelbooking-raising-stones-events.com/>

Deliveries access

Delivery date: Tuesday 31 March 2026 from 10.00am to 7.00pm
Pickup date: Thursday 2 April 2026 from 6.00pm to 10.00pm

To your carrier and
delivery driver

The following information will have to be mentioned on each delivery:

Exhibiting company:

Booth number:

Digital Twin | BIM World 2026 - PORTE DE VERSAILLES - PAVILLON 5.2 & 5.3

Contact onsite:

Mobile phone number:

Loading/unloading area for your materials, parking limited to 1 hour. **LOGIPASS** access required.

Compulsory: your deliverers must have their hatchback trucks and be equipped with trolleys or pallet truck.

Access and free parking for set-up &
dismantling
PARKING P6 for light vehicles
< 1.90m ht

Exit gate D
for set-up &
dismantling

Entry gate B
for set-up &
dismantling

BIM World
Pavilion 5.2 / 5.3

Please inform your delivery person in advance for the collection of material: no material can be left at VIPARIS or at the General Commissariat.

Storage of equipment is allowed only on your own booth.

Any equipment left on the booth after 10:00pm on April 2, 2026, will be removed and destroyed at the exhibitor's expense.

Exhibitors are responsible for their equipment throughout the event (setup, operation, dismantling).

Mandatory access instructions

In order to strengthen access controls on the Porte de Versailles site and to facilitate access and traffic flow in the delivery station, VIPARIS has developed an online vehicle registration system: LOGIPASS.

This applies to all requests for vehicle access during set-up, dismantling and daily deliveries. Parking on the delivery areas is limited to the strict need for delivery.

<https://logipass.viparis.com/en>

A hotline is available on +33 1 40 68 68 11 30 / infos-exposants@viparis.com to help users.

Exhibitors will have to create their own Logipass account on their first login.

Parking times in logistics areas are limited to the need for delivery.

Cars: 30mn max

Utilities: 1h max

Heavy trucks: 4h max

As safety is everyone's business, we're counting on your help to ensure that everyone can enjoy their visit in the best possible conditions.

Your communication

Each company has a dedicated exhibitor space where you can enter and update information about your company (presentation, exhibitor badges, invitations, etc.).

To log in, click the following link: <https://bim-w.com/profil-exposant/> and use the account details you received by email.

To access your exhibitor area, simply click on your company name or logo.

Presentation of your company

Highlight your presence by completing the following information:

- **Your logo** in JPEG format - maximum size 300px x 300px - maximum file size 200 ko
- **A short presentation text** of up to 1000 characters

Invitations

Invite prospects and clients with your personal coupon, which grants free entry worth €180 excl. VAT.

You can access in real time the contact details of people registered with your coupon in your [exhibitor area](#), under the tab « Code de gratuité ».

How it works?

Share your code with the people you would like to invite.

Each visitor registers online directly: <https://bim-w.com/inscription/> by entering your code in the “coupon field” then clicking OK before completing the registration.

LinkedIn & Communication

Share your participation to Digital Twin | BIM World by mentioning the LinkedIn page @Digital Twin | BIM World – we will share your post!

Follow our page to stay updated on all event news.

To promote your presence at the event, download the [media kit](#) with logos and visuals (signature, news, website, post...etc.)

Pre-equipped booth

For booths smaller than 36 sqm

You have a basic equipment detailed as follow:

- ↳ Carpet – light mottled grey- reference REWIND 0952
- ↳ Booth structure in white aluminium 2.40m height with common dividing wall in white melamine
- ↳ 1 logo flag of 0.60m large by 0.20m height, double side printing
- ↳ 1 spotlight track
- ↳ Cleaning of your booth the day before the opening and every evening during the event.

4 sqm booth example in corner

Stands dimensions:

4 sqm: 2 x 2 m

9 sqm booth example in corner

9 sqm: 3 x 3 m

18 sqm: 3 x 6 m

MANDATORY: Order your electrical box [here](#)

Viparis - exhibitor service, contact@e-viparisstore.com / +33 1 40 68 16 16

- Structural element mounted above 2.50 m = project must be sent **before 1 March 2026** to cd@beyond-event.fr (sling, suspended sign).
- Structural element of the booth to be removed = request must be sent **before 1 March 2026** to cd@beyond-event.fr
- Use your booth as **bare space** (without structures or carpet, only floor markings) = request must be sent **before 1 March 2026** to cd@beyond-event.fr.

Bare booth

For all exhibitors with a bare surface, the manual with architectural rules to be given to your service providers can be downloaded here: <https://bim-w.com/annexes>

Your arrangement and decoration projects must be accepted by the organizer and his security manager. **No booth can be build-up without this agreement.**

Your booth project, to be sent to cd@beyond-event.fr **before 1 March 2026**, must **obligatorily** include:

- **“Top view” plan** indicating scales, dimensions, and the positioning of setbacks (adjoining booths and aisle).
- **“Elevation and section” plan** indicating scales, dimensions, and heights of projected structures.
- **“Slinging plan”** including all technical specifications such as weight, dimensions, hanging method, and number of suspension points.
- **Up-to-date fire reaction certificates** for all materials used during the setup phase (partitions, carpet, felt, printed fabric, vinyl, etc.).

NEW REGULATION

Please note that since the 2025 edition, new regulations concerning temporary and demountable structures will apply to the trade show. (Decree of July 25, 2022). Consequently, if your stand includes a suspended sign made of a metal structure, or if your stand includes metal structures (such as Prolyte or equivalent), inspections by an accredited body are now mandatory, both during the design phase and upon final assembly. Details of these regulations can be found in the architectural guidelines.

MANDATORY: Order your electrical box [here](#)

Viparis - exhibitor service, contact@e-viparisstore.com / +33 1 40 68 16 16

Your to do list

Exhibitors' badges

Register your team members so they can access the hall during exhibitor opening hours.

You must register your team members on your [EXHIBITOR AREA](#) by clicking on your logo or company name (see the email sent by Camille Dauzon to the main contact with login and password).

A personalized, non-transferable badge will be issued for each team member and sent to the email addresses you provide. Exhibitor badges will only be issued to companies listed as exhibitors.

Booth sign

Please provide us with your booth sign name, limited to 25 characters including spaces, **by 1 March 2026** at cd@beyond-event.fr (only if different from your company name).

Logos are not included in booth signs.

Co-exhibitors

Depending on the size of your stand, you may be able to add one or more co-exhibitors (see prices in the brochure).

Please send an email to cd@beyond-event.fr **before 1 March 2026**.

Safety Notice

You must return the safety notice, downloadable from: <https://bim-w.com/annexes>, before **1 March 2026** to jbaronspsexpo@gmail.com / +33 6 77 10 49 91.

Parking / electricity / internet / slings by VIPARIS

Order to be placed **before 27 March 2026**

No electrical power is provided on the booths.

To reserve your electrical terminal, please order online by logging in with your account on the [VIPARIS](#) website.

You can also order your parking and internet services there.

Your contact: contact@e-viparisstore.com / +33 1 40 68 16 16

Furniture by International Moduling

Order to be placed **before 04 March 2026**

You will find the order form here: <https://bim-w.com/annexes>

Your contact: Patricia EGROT exposants@international-moduling.com / +33 1 60 61 86 11

Screen rental by M2 VIDEO

Order to be placed **before 27 March 2026**

You will find the order form here: <https://bim-w.com/annexes>

Your contact: Barhta ZAID barhta@m2video.fr / +33 6 51 49 84 82

Badges reader by Eveos

Order to be placed **before 24 March 2026**

Mobile solution to acquire your contact details on your booth. You just have to scan the visitor's badge to get instantly his contact details.

You will find the order form here: <https://bim-w.com/annexes> (you will need to log in with your exhibitor login details)

Once you have entered your order, you will receive confirmation by e-mail, followed by the corresponding invoice.

Your contact: Marouan Sami lecteurs@eveos.com / +33 1 85 08 57 66

Your contact: Ana Calpe del Arco, to contact directly for a quote

accueil@deci-belles.com / +33 1 40 60 11 28

Security staff by Guard' event

Order to be placed **before 24 March 2026**

Your contact: Cédric Guerin, to contact directly for a quote

info@guardevents.com / +33 1 56 08 01 39

Choose your electrical power

To help you choose the right electricity supply meter suited to your needs, here is a table listing the average electricity consumption of various devices (values given for information only).

The consumptions should be added together to determine the total electrical power you need to order.

DEVICE	AVERAGE CONSUMPTION (KW)
2 HALOGEN LIGHTS (400 WATTS)	0,8
VACUUM	1
KETTLE	1
COFFEE MACHINE	1,5/2,2
WATER EATER (15 L)	3
AIR CONDITIONNER	4
FREEZER	0,5
PLASMA SCREEN	0,5/0,6
MICRO WAVE	0,8/1
OVEN	4
LASER PRINTER	1
DISHWASHER	1,2
PC + SCREEN	0,6/0,8
LAPTOP	0,4/0,5
TRUSS WITH 3 QUARTZ LAMP (500 W)	1,5
RAIL OF 3 SPOTLIGHTS (100 WATTS)	0,3
MOBILE PHONE RECHARGE	1,04/0,05
FRIDGE	0,2/0,5
TELEVISION	0,5
